

Ethiopian off-grid inverter manufacturers

An off-grid solar system, also known as off-the-grid or standalone, is a photovoltaic system that has no access to the utility grid. For this reason, off-grid solar systems involve both solar panels and batteries. Home Rooted in Ethiopia and led by Visionary Women, Green Scene International is transforming Africa's energy landscape! Since 2015, we've delivered reliable, 100% renewable power to off-grid and weak-grid communities.
