

## Guyana's largest solar energy storage company

ONDERNEEMING, Essequibo Coast -- Region Two (Pomeroon-Supenaam) has taken a major step toward energy sustainability with the commissioning of the \$2.2 billion (US\$10.4 million) Onderneeming Solar Farm -- Guyana's largest hybrid solar and battery storage facility to date. Sustainable energy generation in Region Two has taken a significant leap with the commissioning of the US\$10.4 million (\$2.2 billion) 5 megawatt peak (MWp) Onderneeming solar farm, the largest hybrid solar-plus-storage power station in Guyana. The new facility promises cleaner, more reliable

ONDERNEEMING, Essequibo Coast -- Region Two (Pomeroon-Supenaam) has taken a major step toward energy sustainability with the commissioning of the \$2.2 billion (US\$10.4 million) Onderneeming Solar Farm -- Guyana's largest hybrid solar and battery storage facility to date. The 5-megawatt-peak (MWp) Government of Guyana commissioned its second-mega-scale solar farm, the 1.5 MW utility-scale solar PV plant at Bartica, Region Seven (Cuyuni-Mazaruni) in March. At twenty-two (22) off-grid locations, GEA installed over 163 kWp of solar PV capacity and 800 kWh of battery energy storage. How many \$2.2B Onderneeming Solar Farm commissioned in Region 2

Region Two (Pomeroon-Supenaam) has received a major boost to its energy reliability and sustainability with the commissioning of the \$2.2 billion (US\$10.4 million) 5 US\$10.4m Onderneeming 5MWp solar farm Sustainable energy generation in Region Two has taken a significant leap with the commissioning of the US\$10.4 million (\$2.2 billion) 5 megawatt peak (MWp) Onderneeming solar farm, the largest Guyana Commissions Nation's Largest Solar-Plus-Storage Plant Spanning 13 acres, the advanced facility combines solar generation and energy storage to stabilize power supply on the Essequibo Coast. It captures excess solar energy A milestone achievement: US\$10.4M Onderneeming Solar Farm Nandlall said the site is not just another solar array -- it stands as Guyana's largest hybrid solar-plus-storage power station, featuring a cutting-edge 7.5 MWh Battery Energy BNamericas Who is BNamericas for? Address Chile: Alonso de C&#243;rdoval, Office 413, 4th floor, Las Condes, Santiago, Chile. (This address does not serve the public). With contract signed, Linden to get Guyana's A US\$22.58 million contract was inked on Wednesday for the construction of a 15-megawatt (MW) solar farm in Linden, and when completed, the mega project will be the largest solar farm in Guyana. Largest solar PV farm in Guyana to be constructed In a significant step towards advancing solar power in Guyana, an 8-megawatt solar PV farm - the largest of its kind - will be constructed in the mining town of Linden in Region 10 (Upper Demerara- Berbice). LINDEN TO BE EQUIPPED WITH LARGEST RENEWABLE Linden, Guyana - A major milestone in Guyana's energy transition was reached on Thursday with the signing of a US\$22.58 million contract for a 15-megawatt renewable Linden to get US\$22.5M solar farm Kaieteur News- The mining town of Linden is slated to receive Guyana's largest solar farm to date, worth a whopping US\$22.58M. The contract was signed on Wednesday. Guyana energy storage companies list announced June 23, : Guyana is to develop eight utility-scale solar and battery storage projects in the South American country with investment financing worth around \$83 million, the \$2.2B Onderneeming Solar Farm commissioned in Region 2

Region Two (Pomeroon-Supenaam) has received a major boost to its
