

## New Energy Battery Cabinet Patent

US20250158192 - ENERGY STORAGE BATTERY CABINET AND ENERGY STORAGE SYSTEM HAVING SAME An energy storage system, provided with an energy storage battery cabinet. The energy storage battery cabinet includes a cabinet body and a plurality of battery cells. The utility model discloses a new energy battery cabinet with a movable inner frame, relates to the technical field of new energy battery cabinet structures, and aims to solve the problem that the existing new energy battery cabinet cannot well protect new energy batteries when the new energy

A battery cabinet includes a cabinet body, multiple battery units, a temperature adjusting device, and a battery management device. The cabinet body includes an accommodation cavity. The multiple battery units are stacked in the accommodation cavity, and each of the battery units includes a heat

US20250158192 - ENERGY STORAGE BATTERY CABINET AND ENERGY STORAGE SYSTEM HAVING SAME An energy storage system, provided with an energy storage battery cabinet. The energy storage battery cabinet includes a cabinet body and a plurality of battery cells. The width W 1 of the cabinet body, the depth D The utility model discloses a new energy battery energy storage cabinet, and relates to the technical field of fire-fighting equipment; including energy storage cabinet body, fire control cabinet and fire extinguishing agent bottle group, the energy storage cabinet body is the level setting, the (84)Designated Contracting States: AL AT BE BG CH CY CZ DE DK EE ES FI FR GB GR HR HU IE IS IT LI LT LU LV MC ME MK MT NL NO PL PT RO RS SE SI SK SM TR Designated Extension States: BA Designated Validation States: KH MA MD TN (30)Priority:15.08.2022CN 202222148376 U (71)Applicant: Sungrow Power An energy storage cabinet includes a cabinet body, a battery assembly, an air cooling device, an upper air duct, a first and a second air ducts. The upper air duct is arranged in an accommodating cavity and located on the upper portion of the cabinet body. The upper air duct includes an upper air

U.S. Patent Application for BATTERY CABINET AND ENERGY The present disclosure relates to the field of batteries, and in particular, to a battery cabinet and an energy storage system using the same. 20250158192 ENERGY STORAGE BATTERY CABINET AND An energy storage system, provided with an energy storage battery cabinet. The energy storage battery cabinet includes a cabinet body and a plurality of battery cells. New energy battery energy storage cabinet The utility model can ensure the safety of the new energy battery when the new energy battery is placed in the cabinet or charged. ENERGY STORAGE DEVICE AND BATTERY CABINETSUMMARY [] An object of the present disclosure is to provide an energy storage device and a battery cabinet, which can reduce the cost of the battery cabinet.CN219458700U The utility model relates to the technical field of new energy battery cabinet structures, in particular to a new energy battery cabinet with a movable inner frame. U.S. Patent Application for BATTERY CABINET AND ENERGY The present disclosure relates to the field of batteries, and in particular, to a battery cabinet and an energy storage system using the same. 20250158192 ENERGY STORAGE BATTERY CABINET AND ENERGY An energy storage system, provided with an energy storage battery cabinet. The energy storage battery cabinet includes a cabinet body and a plurality of battery cells. ENERGY STORAGE DEVICE

## New Energy Battery Cabinet Patent

---

AND BATTERY CABINETSUMMARY [] An object of the present disclosure is to provide an energy storage device and a battery cabinet, which can reduce the cost of the battery cabinet. U.S. Patent Application for ENERGY STORAGE CABINET Patent An energy storage cabinet includes a cabinet body, a battery assembly, an air cooling device, an upper air duct, a first and a second air ducts. The upper air duct is arranged CN119560711A However, the retired battery pack can also meet the use requirements of other equipment, for example, the retired battery pack is used for assembling a whole retired battery pack of a new ENERGY STORAGE BATTERY CABINET [] The various embodiments described in this document relate in general to the field of energy storage systems, and more specifically to an energy storage battery cabinet. WO//037023 BATTERY CABINET AND ENERGY This patent search tool allows you not only to search the PCT database of about 2 million International Applications but also the worldwide patent collections. This search facility US Patent for Energy storage battery cabinet Patent (Patent The various embodiments described in this document relate in general to the field of energy storage systems, and more specifically to an energy storage battery cabinet.CN219458700U The utility model relates to the technical field of new energy battery cabinet structures, in particular to a new energy battery cabinet with a movable inner frame. US Patent for Energy storage battery cabinet Patent (Patent The various embodiments described in this document relate in general to the field of energy storage systems, and more specifically to an energy storage battery cabinet.
