

## Samoa installs solar energy storage company

The first of three storage projects is completed, enabling the island to integrate its solar energy production and enhance grid reliability. Evlo Energy Storage Inc, a subsidiary of Hydro-Qu&#233;bec, announced it has commissioned the first of three grid-scale energy storage projects in April 15, - MONTR&#201;AL - EVLO Energy Storage Inc. (EVLO), a fully integrated battery energy storage systems (BESS) provider and wholly owned subsidiary of Hydro-Qu&#233;bec, announced today the completed commissioning of a 4-MW, 8-MWh, 2-hour duration energy storage system, the first of three

The first of three storage projects is completed, enabling the island to integrate its solar energy production and enhance grid reliability. Evlo Energy Storage Inc, a subsidiary of Hydro-Qu&#233;bec, announced it has commissioned the first of three grid-scale energy storage projects in American Samoa. EVLO Energy Storage Inc. (EVLO), a fully integrated battery energy storage systems (BESS) provider and wholly owned subsidiary of Hydro-Qu&#233;bec, has announced the completed commissioning of a 4-MW, 8-MWh, 2-hour duration energy storage system, the first of three projects in American Samoa. In System integrator EVLO Energy Storage (EVLO) has completed commissioning of a 4MW/8MWh battery energy storage system (BESS) in American Samoa. The 2-hour duration BESS marks the first of three projects that EVLO will be commissioning in the territory, in collaboration with solar energy service Constructed by Eastern Power Solutions, the solar-plus-storage projects will provide 10 MW / 20 MWh of critical clean capacity for the American Samoa grid. EVLO, a fully integrated battery energy storage systems (BESS) provider and wholly owned subsidiary of Hydro-Qu&#233;bec, has completed EVLO Completes Commissioning of First of Three Energy Constructed by Eastern Power Solutions, the solar-plus-storage projects will provide 10 MW / 20 MWh of critical clean capacity for the American Samoa grid. Evlo deploys grid-scale batteries in two American Samoa islands

The first of three storage projects is completed, enabling the island to integrate its solar energy production and enhance grid reliability. Evlo Energy Storage Inc, a subsidiary of EVLO Commissions First of Three Energy Storage Projects in EVLO Energy Storage, a fully integrated battery energy storage systems (BESS) provider and wholly owned subsidiary of Hydro-Qu&#233;bec, on April 15 announced the company EVLO Completes First BESS Project in American EVLO Energy Storage Inc. (EVLO), a fully integrated battery energy storage systems (BESS) provider and wholly owned subsidiary of Hydro-Qu&#233;bec, has announced the completed commissioning of a 4-MW, EVLO commissions first of three BESS projects in EVLO Energy Storage (EVLO) has completed commissioning of a 4MW/8MWh battery energy storage system (BESS) in American Samoa. EVLO Energy Storage Completes First Battery Storage System EVLO Energy Storage Inc. (EVLO), a fully integrated battery energy storage systems (BESS) provider and subsidiary of Hydro-Qu&#233;bec, has successfully commissioned its EVLO commissions first energy storage system in EVLO and Eastern Power Solutions have completed the commissioning of a 4 MW solar-plus-storage installation on the island of Tutuila, marking the launch of a 10 MW project aimed at strengthening the local power grid. EVLO Completes Commissioning of BESS Project in American EVLO Energy Storage has partnered
