

Uganda Industrial Park Energy Storage Project

Uganda's national oil aspirations have received a major boost as the Uganda National Oil Company (UNOC) and Vivo Energy Uganda signed a landmark agreement to develop a state-of-the-art Liquefied Petroleum Gas (LPG) storage and distribution facility at the Kabalega Industrial Park in Kampala, Uganda - Tuesday, 29th July : Vivo Energy Uganda and Uganda National Oil Company (UNOC), on behalf of the Ministry of Energy and Mineral Development have formalised a landmark partnership today to develop Liquefied Petroleum Gas (LPG) storage infrastructure at Kabalega Industrial Park. Uganda's national oil aspirations have received a major boost as the Uganda National Oil Company (UNOC) and Vivo Energy Uganda signed a landmark agreement to develop a state-of-the-art Liquefied Petroleum Gas (LPG) storage and distribution facility at the Kabalega Industrial Park in Hoima District. Vivo Energy Uganda and the Uganda National Oil Company (UNOC), on behalf of the Ministry of Energy and Mineral Development, have formalized a transformative partnership to develop Liquefied Petroleum Gas (LPG) storage and distribution infrastructure at Kabalega Industrial Park in Hoima District. July 30, [Radio Sapientia]- Vivo Energy Uganda and the Uganda National Oil Company (UNOC), on behalf of the Ministry of Energy and Mineral Development, has on Tuesday formalized a landmark partnership to develop Liquefied Petroleum Gas (LPG) storage infrastructure at Kabalega Industrial Park. Vivo Energy Uganda and UNOC partner to build a new LPG storage hub in Kabalega Industrial Park, boosting clean energy access and economic growth in Uganda. KAMPALA, Uganda -- Vivo Energy Uganda and the Uganda National Oil Company (UNOC), representing the Ministry of Energy and Mineral Development Vivo Energy Uganda and Uganda National Oil Company (UNOC) have formalised a landmark partnership to develop Liquefied Petroleum Gas (LPG) storage infrastructure at Kabalega Industrial Park. UNOC's mandate includes bulk LPG production as part of its overarching strategy integrating upstream gas Vivo Energy Uganda and Uganda National Oil Company partner The project focuses on constructing LPG storage tanks, handling and cylinder filling equipment, and infrastructure aligned with the broader facilities at Kabalega Industrial Park a UNOC, Vivo Energy ink deal to develop Uganda's largest LPG Uganda's national oil aspirations have received a major boost as the Uganda National Oil Company (UNOC) and Vivo Energy Uganda signed a landmark agreement to develop a state Vivo Energy, UNOC Seal Deal to Boost LPG Vivo Energy Uganda and the Uganda National Oil Company (UNOC), on behalf of the Ministry of Energy and Mineral Development, have formalized a transformative partnership to develop Liquefied Petroleum Vivo Energy and UNOC Partner to Boost LPG Storage at The project at Kabalega Industrial Park is expected to play a pivotal role in supporting national campaigns aimed at increasing LPG adoption across households and Vivo Energy Uganda, UNOC Partner on LPG Vivo Energy Uganda and UNOC partner to build a new LPG storage hub in Kabalega Industrial Park, boosting clean energy access and economic growth in Uganda. Vivo Energy, UNOC Sign Agreement to Develop LPG Storage The project focuses on constructing LPG storage tanks, handling and cylinder filling equipment, and infrastructure aligned with the broader facilities at Kabalega Industrial Park a site under Vivo Energy Uganda
