Include Engineering Services Office .articles The word "best" is an adjective, and adjectives do not take articles by themselves. Because the noun car is modified by the superlative adjective best, and because this makes difference In the following sentence, however, best is an adjective: "What was best?" If we insert the word the, we get a noun phrase, the best. You could certainly declare that after "Which one is the best" vs. "which one the best is" "Which one is the best" is obviously a question format, so it makes sense that "which one the best is" should be the correct form. This is very good instinct, and you could grammar So, "It is the best ever" means it's the best of all time, up to the present. "It was the best ever" means either it was the best up to that point in time, and a better one may have adverbs Both sentences could mean the same thing, however I like you best. I like chocolate best, better than anything else can be used when what one is choosing from is not how to use "best" as adverb? 1 Your example already shows how to use "best" as an adverb. It is also a superlative, like "greatest", or "highest", so just as you would use it as an adjective to show that something is expressions It's best that he bought it yesterday. or It's good that he bought it yesterday. 2a has a quite different meaning, implying that what is being approved of is not that the purchase be valediction 5 In Europe, it is not uncommon to receive emails with the valediction With best/kind regards, instead of the more typical and shorter Best/Kind regards. When I see a Way of / to / for The best way to use "the best way" is to follow it with an infinitive. However, this is not the only way to use the phrase; "the best way" can also be followed by of with a gerund: Alwesam Group Toshiba batteries in Syria , KSA, Lebanon Through an extensive distribution network, Alwesam Group covers all cities in Syria, Lebanon and Saudi Arabia.
